About Us

The remarkable business foundation of our enterprise was laid by Late Vaidya Shri Bhagat Ram Goel (BAMS) with the name Sanjivan research laboratories back in the year 1968. The motive behind launching this company was to serve humanity with the best healthcare solutions. In a small time-frame, our company became a leading choice in markets due to rendering quality approved healthcare products that treat various ailments. Our company takes extreme pride in having 150 patents and quality herbal formulations in different forms along with 300 traditional pharmacopoeia formulations, supplements and Ayurvedic Panchkarma oils, etc.

At present, our company is widely renowned for having genuine and clinically researched ayurvedic medicine's production facility holding GMP and ISO certifications along with FSSAI certification for health supplements. Our image as a contract manufacturing company for herbal healthcare products is appreciated by customers because we stay committed to the factor of quality in production. We brilliantly carry out responsibilities of a quality-focused manufacturer. We ensure to manufacture range that consists Javrina Syrup, Sanjivan Madhu Daman Churan, Bon Natura Capsule, Sanjivan Hair Oil, etc., in a clean environment. We enjoy being favorite choice of several customers because of right quality production, excellent quality testing, innovative product packaging. We complete orders on time so as to meet bulk requirements of customers with sheer perfection. Our wide shipment network helps us to deliver orders in a small period of time to clients.
